**The information below will help you better understand our approach to grant making and our process. We recommend that you to read this entire page prior to submitting an application.**

We strongly encourage you contact your local [TD FEF Regional Manager](#) to discuss your project prior to applying. This will help you develop a strong application. It will also help you understand our goals and funding priorities, as well as your reporting requirements.

If your organization is in need of volunteers, please contact your [local TD FEF Regional Manager](#) to discuss the TD Volunteer Network – an online system through which charitable organizations can post local volunteer opportunities and TD employees can search and sign up to volunteer with causes they care about.

Click [here](#) to learn more about TD FEF Leadership Grant program, which aims to enhance the organizational capacity of environmental charities by providing funding for both formal and informal training and development opportunities for leaders within these organizations.
