

**2019 OLTA Gathering
“A Place To Grow– Protection & Connection”**

STUDENT POSTER DISPLAY

Complete this form and email to admin@olta.ca
Deadline for submissions: September 13, 2019

ATTENTION STUDENTS AND RECENT GRADUATES!

You are invited to present your related work at the Ontario Land Trust Alliance (OLTA) Student Poster Display at the 2019 OLTA Annual Gathering in Prince Edward County, Ontario from October 6-8, 2019. The deadline to submit your abstract is Friday, September 13. The poster display will highlight work by students and recent graduates in the land trust community. This will also show land trusts what opportunities might apply to them in terms of engaging students and graduates.

Your abstract must be no longer than 350 words in length and must relate to any of the following topics: land securement, land stewardship, and land conservation. You will be contacted by OLTA if your abstract is accepted for the Gathering. Posters will be judged by Gathering participants and a prize will be awarded to the top rated poster. The prize includes up to \$200 cash and attendance at the evening Banquet on October 7, 2019.

Students are eligible to receive a discounted rate on the Gathering registration fee and will be provided the opportunity to learn more about the land trust movement. This is a great opportunity for students and graduates to network with a diverse, environmentally focused group of Ontario conservation organizations, private landowners, eNGOs and government representatives.

SAVE THE LAND YOU LOVE. JOIN YOUR LOCAL LAND TRUST.
