

Empowering a **VIBRANT** and **ENDURING** land trust community in Ontario

OLTA's incredible members have saved over **110 000 acres** of conservation land since 2002

With support from OLTA, recovery actions have been carried out for **73 species at risk**

More than **600 participants** engaged in land trust learning through **28 workshops and events** in 2020/21

Helped to protect conservation lands valued at **\$103.9 million**

Developed **climate tools** and **championed** land trust **nature-based climate solutions**

22 783 acres of land trust lands assessed as **protected areas** during our first pilot, more to come

BUILDING land trust excellence, **PROMOTING** best practices, **PARTNERING** in research, **SHARING** knowledge
