RE: Letter of Intent regarding donation of my property in XX

Dear John,

As per my discussions and meetings with your team, I am hereby confirming my intention to explore the donation of my land to the Kawartha Land Trust (KLT).

I am the registered owner of approximately XX acres legally described by the PIN XXXXX-XXXX and legally described as XXXXXXXXXXXXXXXXXXXX

We are in the beginning of drafting a donation agreement that would specify the terms under which we are making this donation. We may be exploring a retained use agreement or life interest on the property.

___ (initials) I intend to donate a minimum of \$XX,XXX to Kawartha Land Trust to support ongoing care and stewardship of properties it protects. I understand that these funds will be co-managed with other stewardship fund in accordance with KLTs relevant financial policies. I reserve the right to make additional donations at any time.

___ (initials) I also confirm that KLT may communicate with the public about the property and my donation for the purposes of fundraising and public awareness. I expect that they will not do so until early 2024.

___ (initials) I also confirm that I have been advised by KLT staff to seek independent legal and financial planning advice with regards to this donation.

I am pleased to be working with KLT to help me protect the future of this property and look forward to celebrating these gifts with you.

With best regards,
